Description: Several projects were completed at Camp Howdy. The Girls learned about working with cement and helped with the pouring of the foundation to a double latrine. They planted flowers at the Arbor using what they learned about suitable and adaptable plants for the area. They also worked the Ranap Bridge flower bed for the past two years. Last but not least they were the first Girl Scout troop to construct a fire circle, which can be found at Ranap 2.

Project: **Deck for Camp Howdy's Ranap Shelter**

Description: My Silver Award Project was to build a deck at Camp Howdy's Ranap shelter. To raise funds I sent out a flyer advertising my project and how I would complete it. For every \$20 donated I would burn up to a 20-character name into the completed deck. I spent time in different lumber and hardware stores recording prices and asking managers for discounts. The deck was built over a very full and long three-day weekend. I selected this project because the deck will provide a cleaner place for aides, campers, and adults to eat, talk, and create crafts.

Award: **Silver**  
Girl Scout(s): **Kanika, Katie Beth, Christine, and Hannah**  
Troop Number: 9146  
Project Title: **Bookshelf and Book Drive for the Boy's & Girl's Club of the Brazos Valley**  
Description: Kanika, Katie Beth, Christine and Hannah wanted to do something to help out the children who belong to the Boys' and Girls' Club here in the Brazos Valley. All four enjoy reading so they decided to build bookshelves and hold a book drive enabling the boys and girls to have something educational to do after school. The Scouts learned all about woodworking when each of them built bookshelves and painted them in fun colors to appeal to the kids at the Boys' and Girls' Club. Then the Scouts worked together holding a book drive in their neighborhoods. They collected plenty of books which were enthusiastically received by the Boys' and Girls' Club.

Award: **Silver**  
Girl Scout(s): **Brooke**  
Troop Number: 9146

Project Title: **Food for the Homeless**

Description: Brooke knew that in the community there were people going without food who needed help and a healthy meal. She contacted the Salvation Army and Good Will to see what she could do to help with this problem. These organizations directed her to the Brazos Valley Food Bank which told her, yes, they can always use donations of food. Brooke used her desktop publishing skills to make fliers which she distributed throughout her neighborhood asking for food donations. She gathered her friends and family together to help collect the canned goods and other nonperishable items and was able to give back to the community with her generous donation to the Food Bank.

Award: **Silver**  
Girl Scout(s): **Kaitlin**  
Troop Number: 9146

Project Title: **Health for the Homeless**

Description: Kaitlin wanted to make a difference in the lives of the homeless in Bryan and College Station. She felt that many people help by donating food and clothing but she wanted to do something different. Kaitlin realized that many of the homeless needed essentials for their personal hygiene. She put out fliers in several neighborhoods asking for donations of toothbrushes and toothpaste, shampoo and conditioner, deodorant, soap and washcloths, feminine items, hair brushes, and razors. She was able to collect over nine boxes of personal hygiene items for the Twin City Mission. As you can imagine these items were greatly appreciated.

Award: **Silver**  
Girl Scout(s): **Elizabeth**  
Troop Number: 9146

Project Title: **Want to Play Cards?**

Description: Elizabeth wanted to use her love for woodworking in a meaningful way to help others. Having a cousin with limited use of one hand, she realized the difficulty that many physically disabled people have just playing a simple game of cards. Elizabeth worked with the Brazos Rehabilitation Center to develop and build card holders for people with physical disabilities. Her greatest reward from this project was experiencing the excitement and joy from the people at the rehabilitation center when they realized how easy and enjoyable it was to play cards with her new card holders.

Troop Leader: Kathy

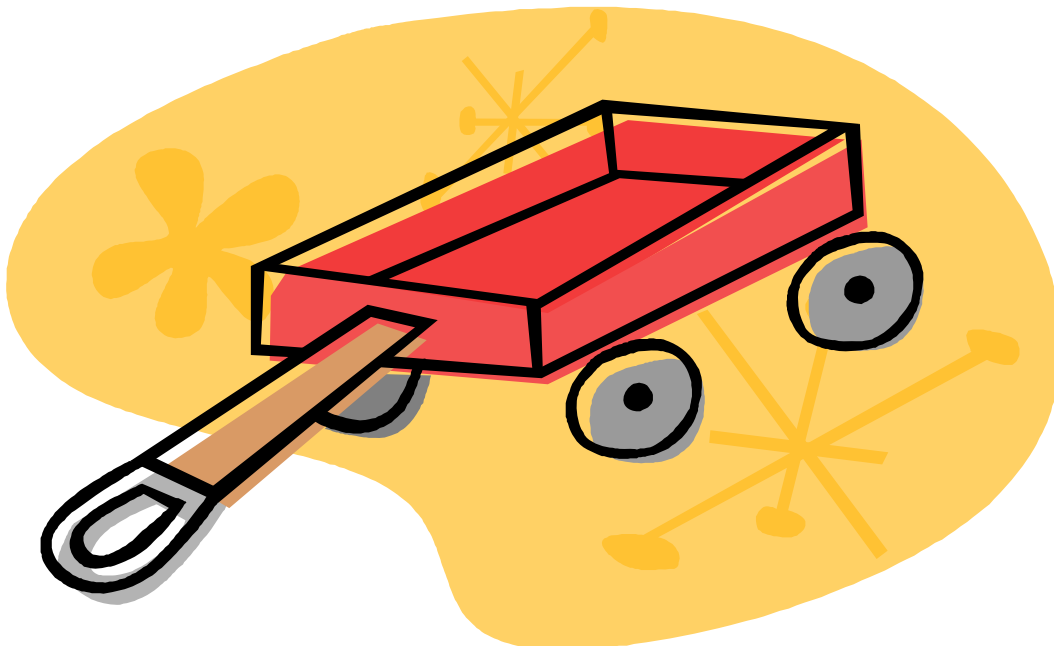

Award: **Silver**  
Girl Scout(s): **Christina**  
Troop Number: 9146

Project Title: **Help for the Hungry**

Description: Christina has always had a concern for community issues. She recognized that a real problem in our community is the number of low income families who have a hard time buying nutritious food for their children. She decided to hold a canned food drive in her Kurten community to collect food for the Food Bank. Christina passed out fliers to alert people to what she was doing, and armed with her wagon, she set out. She was able to collect a significant amount of food that was very appreciated by the Food Bank. Many people in our community will benefit from her hard work.

Troop Number: 9165  
Project Title: **Listening to Learn**

Working in conjunction with the teachers of the visually impaired in the Bryan and College Station school districts, they were able to donate 100 audio tapes to the two school districts. They also developed activities for the volunteers to do that simulated life as a blind person.
