

First Ever Howdy Camporee!

November 18 (8:00 am) -Nov 19 (Noon)

Looking for the Ultimate Outdoor Adventure?

Looking to get your toes wet in outdoor activities?

No matter what your level of experience, come out to the first ever Howdy Camporee! We haven't had a party like this since Girl Scouts turned 100!

- Learn semaphore, outdoor skills, take a night hike, and perform your best skit around the campfire.
- Complete requirements for the Outdoor Progression badge.
- Spend the night and have experienced Aides to help you set up your camping area.
- Bring SWAPs for Sunday morning and compete for troop prizes and awards!

Each troop will host a booth that highlights an outdoor skill, and have a chance to explore other troops booths and learn new skills and fun activities! Don't worry if you are at a loss for a booth – we have ideas galore, complete with instructions and pinterest examples.

Only \$5 per girl, includes a patch and s'mores!
